

The Journal OF THE *House of Representatives*

Number 39

Wednesday, May 1, 2013

The House was called to order by the Speaker at 8:00 a.m.

Prayer

The following prayer was offered by Pastor John S. Cowart of Abiding Faith Christian Church in Gainesville, upon invitation of Rep. Stafford:

Heavenly Father, we come, first, to thank You for the opportunity to serve the great people of the state of Florida. We honor You for choosing every representative from their respective city and county. This morning, I ask that You allow them to be fruitful in their dialogue, respectful in their discussions, and thoughtful regarding the outcome. Keep them resourceful and dedicated to their constituents as they do what it takes to make things work. I pray You will keep them dreaming as they envision what will be best for Florida. Never let them grow weary or tired in well-doing as they pursue the task before them. May You allow a spirit of collaboration, inspiration, and enthusiasm to reside in this place. And as You keep them open to change and Your direction, let every piece of legislation passed be beneficial to the people of Florida, today, tomorrow, and in the future. Bless them, protect them, and keep them in courage every day of their lives. And now may the words of my mouth and the meditation of my heart be acceptable in Thy sight, O Lord, my strength and my redeemer. Amen.

(1) An unemployed individual is eligible to receive benefits for any week only if the Department of Economic Opportunity finds that:

(b) She or he has completed the department's online work registration ~~registered with the department for work~~ and subsequently reports to the one-stop career center as directed by the regional workforce board for reemployment services. This requirement does not apply to persons who are:

1. Non-Florida residents;

2. On a temporary layoff;

3. Union members who customarily obtain employment through a union hiring hall; or

4. Claiming benefits under an approved short-time compensation plan as provided in s. 443.1116; or

5. Unable to complete the online work registration due to illiteracy, physical or mental impairment, a legal prohibition from using a computer, or a language impediment. If a person is exempted from the online work registration under this subparagraph, then the filing of his or her claim constitutes registration for work.

(c) To make continued claims for benefits, she or he is reporting to the department in accordance with this paragraph and department rules, and participating in an initial skills review, as directed by the department. Department rules may not conflict with s. 443.111(1)(b), which requires that each claimant continue to report regardless of any pending appeal relating to her or his eligibility or disqualification for benefits.

1. For each week of unemployment claimed, each report must, at a minimum, include the name, address, and telephone number of each prospective employer contacted, or the date the claimant reported to a one-stop career center, pursuant to paragraph (d).

2. The administrator or operator of the initial skills review shall notify the department when the individual completes the initial skills review and report the results of the review to the regional workforce board or the one-stop career center as directed by the workforce board. The department shall prescribe a numeric score on the initial skills review that demonstrates a minimal proficiency in workforce skills. The department, workforce board, or one-stop career center shall use the initial skills review to develop a plan for

referring individuals to training and employment opportunities. The failure of the individual to comply with this requirement will result in the individual being determined ineligible for benefits for the week in which the noncompliance occurred and for any subsequent week of unemployment until the requirement is satisfied. However, this requirement does not apply if the individual ~~is able to affirmatively attest to being unable to complete such review due to illiteracy or a language impediment or~~ is exempt from the work registration requirement as set forth in paragraph (b).

3. Any individual who falls below the minimal proficiency score prescribed by the department in subparagraph 2. on the initial skills review shall be offered training opportunities and encouraged to participate in such training at no cost to the individual in order to improve his or her workforce skills to the minimal proficiency level.

4. The department shall coordinate with Workforce Florida, Inc., the workforce boards, and the one-stop career centers to identify, develop, and utilize best practices for improving the skills of individuals who choose to participate in training opportunities and who have a minimal proficiency score below the score prescribed in subparagraph 2.

(d) She or he is able to work and is available for work. In order to assess eligibility for a claimed week of unemployment, the department shall develop criteria to determine a claimant's ability to work and availability for work. A claimant must be actively seeking work in order to be considered available for work. This means engaging in systematic and sustained efforts to find work, including contacting at least five prospective employers for each week of unemployment claimed. The department may require the claimant to provide proof of such efforts to the one-stop career center as part of reemployment services. A claimant's proof of work search efforts may not include the same prospective employer at the same location in three consecutive weeks, unless the employer has indicated since the time of the initial contact that the employer is hiring. The department shall conduct random reviews of work search information provided by claimants. As an alternative to contacting at least five prospective employers for any week of unemployment claimed, a claimant may, for that same week, report in person to a one-stop career center to meet with a representative of the center and access reemployment services of the center. The center shall keep a record of the services or information provided to the claimant and shall provide the records to the department upon request by the department. However:

1. Notwithstanding any other provision of this paragraph or paragraphs (b) and (e), an otherwise eligible individual may not be denied benefits for any week because she or he is in training with the approval of the department, or by reason of s. 443.101(2) relating to failure to apply for, or refusal to accept, suitable work. Training may be approved by the department in accordance with criteria prescribed by rule. A claimant's eligibility during approved training is contingent upon satisfying eligibility conditions prescribed by rule.

2. Notwithstanding any other provision of this chapter, an otherwise eligible individual who is in training approved under s. 236(a)(1) of the Trade Act of 1974, as amended, may not be determined ineligible or disqualified for benefits due to enrollment in such training or because of leaving work that is not suitable employment to enter such training. As used in this subparagraph, the term "suitable employment" means work of a substantially equal or higher skill level than the worker's past adversely affected employment, as defined for purposes of the Trade Act of 1974, as amended, the wages for which are at least 80 percent of the worker's average weekly wage as determined for purposes of the Trade Act of 1974, as amended.

3. Notwithstanding any other provision of this section, an otherwise eligible individual may not be denied benefits for any week because she or he is before any state or federal court pursuant to a lawfully issued summons to appear for jury duty.

4. Union members who customarily obtain employment through a union hiring hall may satisfy the work search requirements of this paragraph by reporting daily to their union hall.

5. The work search requirements of this paragraph do not apply to persons who are unemployed as a result of a temporary layoff or who are claiming benefits under an approved short-time compensation plan as provided in s. 443.1116.

6. In small counties as defined in s. 120.52(19), a claimant engaging in systematic and sustained efforts to find work must contact at least three prospective employers for each week of unemployment claimed.

7. The work search requirements of this paragraph do not apply to persons required to participate in reemployment services under paragraph (e).
